

AUDRAY BATEMAN ON AUSTIN HISTORY

NUNA is proud to present Audray Bateman, who is Curator of the Austin History Center of the Austin Public Library, as speaker at the next meeting on April 4th. She will take us back in time 100 years or so with a slide presentation of "History of Austin in the 19th Century."

Audray Bateman has been with the Austin Public Library for 22 years and has been Curator of the History Center for the past 12 years. She is perhaps best known to many Austinites as the author of "Waterloo Scrapbook" in the Austin American-Statesman.

This promises to be an exciting and informative evening for all Austin history buffs!

FIRST ENGLISH LUTHERAN CHURCH
at 30th and Whitis

The First English Lutheran Church continues to serve our community with its social and cultural programs. A very contemporary videotape program currently being offered is a series called "Bradshaw on the Family." John Bradshaw (a native Texan) has, for the last 20 years, worked as a counselor, a theologian, a management consultant and a public speaker. He gives lectures and workshops throughout the country to business, professional, civic and religious groups. On hearing him, Carol Burnet said, "John Bradshaw doesn't make speeches - he makes contact." The tapes to be shown in April are:

- April 10 Help for the Family
- April 17 Health for the Family
- April 24 Hope for the Family

The films begin every Sunday at 9:30 AM in the Parlor and last one hour. Everyone is invited.

NEXT NUNA MEETING:

Become an Independent Learner

Huntington-Surrey encourages students to develop self-motivation and basic learning skills. Students may participate in designing their courses and projects, choosing from individually offered classes, small-group classes, special-interest workshops, and all-school field trips. Students are fully evaluated through cumulative work, senior projects, standardized tests, and staff interviews. Quarterly progress reports evaluate performance and are sent to parents. Inquires may be made to
